Dear friends,

This is our last call for registrations – space is limited!

Please join us for an evening of specialized safety training from our partners at the [Secure Community Network](#) as we learn valuable skills for when confronted with emergency situations.

Important Note: Monday's session at the Lawrence Family JCC | JACOBS FAMILY CAMPUS is at capacity. Any additional registrants will be added to the waitlist and we cannot guarantee availability. We recommend selecting from one of the three remaining sessions. Thank you for understanding.

See more information below, and [click here](#) to register.

Please don't hesitate to contact me with any questions.

Sincerely,

Matt Goldberg
